*High-deductible plans (such as HD-F or HD-G) are offered in some states, meaning you pay for Medicare-covered costs (coinsurance, copayments, and deductibles) up to the deductible amount of \$2,700 (for the year 2023). However, plans C and F are only available to individuals who became eligible for Medicare before January 1st, 2020.

** For Plans K and L, once your annual Part B deductible and out-of-pocket limits are met, the Medigap plan pays 100% of covered services for the rest of the calendar year.

*** Plan N pays 100% of the Part B coinsurance. You will be responsible for a copayment of up to \$20 for some office visits, but there is no charge if you are admitted as an inpatient to the hospital through an emergency room visit.
